## Project Description

This summary covers an application made by Banco de Comercio Exterior de Colombia S.A. (Bancoldex) to cover a proposed lending facility to be provided to Bancoldex by a group of lenders yet to be identified.

MIGA's coverage has been sought in relation to a Non-Honoring of Sovereign Financial Obligations by a State-Owned Enterprise (NHFO-SOE) guarantee for a US dollar debt financing structure of up to US\$ 475 million with a tenor of up to 3 years.

The MIGA guaranteed loan will be used by Bancoldex to finance several of the Government initiatives aimed at providing liquidity for companies and preserving employment in response to the current COVID-19 crisis. The MIGA guaranteed loan will be used to fund programs, such as "Colombia Responde" and "Colombia Responde para Todos", among others (the Programs), which provide short-term working capital loans of up to US\$1.2 million with tenors of up to 36 months to Corporates and Micro, Small and Medium Enterprises (MSMEs) through financial intermediaries.

**The Project is aligned with MIGA's US\$6 billion COVID-19 response package under its pillar of countering adverse economic impacts during the COVID-19 crisis by providing liquidity to the financial sector as well as with the US\$14 billion World Bank Group (WBG) Fast Track COVID-19 Facility to assist member countries in addressing the current global pandemic and its impacts.**
