Project Description

As stated by the MIGA, on February 23, 2024 MIGA entered into a contract issuing a guarantee of US\$ 16.29 million to Konexa Power Holdings PCC of Mauritius for its equity and quasi-equity investments in Konexa Solar 1 Ltd, a C&I electrification project, in the Federal Republic of Nigeria. The guarantee is issued against the risks of expropriation and war and civil disturbance (including temporary business interruption) for a guarantee period of up to 20 years.

Located in Kaduna City, Kaduna State in Nigeria, the Project consists of the ownership, construction, operation and maintenance of distributed energy systems to be installed at two Nigerian Breweries sites, including transformers, switchgear, metering, double inverter and battery energy storage system (BESS), ring main units, and associated equipment and buildings (the C&I Assets) and the refurbishment, upgrade, extension, operation and maintenance of existing 33kV lines, switching stations, and other related interconnection infrastructure (the Interconnection Infrastructure). Under a Trading License the Project will purchase electricity from the Gurara Hydroelectric Power Plant and wheel electricity through the grid to Nigerian Breweries.

The Project is expected to deliver an average of 20.5 GWh annually from new renewable energy resources (the 30 MW Gurara hydroelectric power plant) to Nigerian Breweries displacing the existing fossil fuel based energy systems. Nigerian Breweries is a subsidiary of Heineken and has been a market leader in Nigeria in pursuing renewable energy solutions. The Project will help accelerate the company's transition to renewable energy while increasing electricity reliability.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
