### Project Description

This summary covers equity investments by ProCredit Holding AG & Co. KGaA (ProCredit) into its subsidiary ProCredit Bank A.D., Serbia (ProCredit Serbia). ProCredit has applied for MIGA guarantees of up to EUR47.5 million in mandatory reserves cover for a period of up to 5 years.

ProCredit is parent company headquartered in Germany and operates 12 banking subsidiaries in Southeastern Europe, Eastern Europe, Ecuador, and Germany. ProCredit is a development-oriented banking group with a primary focus on lending to Small and Medium-Sized Enterprises (SMEs). ProCredit's subsidiary banks outside of Germany are required to maintain reserves at the central banks in their respective jurisdictions, based on the volume of customer deposits that these subsidiaries have. Mandatory reserves contribute to ProCredit's overall risk-weighted assets (RWA) at the consolidated level, resulting in less headroom for other assets at a given level of capital.

### ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
