Project Description

As stated by the MIGA, this summary covers equity investments by BNP Paribas S.A. (BNPP or the Group), in its subsidiary in Ukraine, JSC UKRSIBBANK (UKRSIBBANK or the Subsidiary). The investor has applied for a MIGA guarantee of up to EUR100 million for capital optimization cover for a period of up to 1 year and 1 day (the Project).

JSC Uksribbank provides financial products and services to individuals, small and medium enterprises, and corporates in Ukraine. The MIGA guarantee will support transactions across these three segments. The main sectors supported by the bank are commerce and trade, manufacturing, and agriculture and food processing.

MIGA's guarantee aims to help BNPP optimize the Group's risk-weighted assets (RWA) on a consolidated basis. With the MIGA guarantee, the parent bank (BNPP) will pass the benefits of the RWA relief at the Group level to its operating subsidiary in Ukraine. The RWA capacity freed up by MIGA's proposed guarantee is expected to be used by BNPP to support UKRSIBBANK in growing its lending operations in Ukraine. The Project is therefore expected, on a best-effort basis, to increase access to finance for corporates, SMEs (including Women-owned SMEs), and households in Ukraine, including support for energy efficiency projects, at a time when the country is facing exceptionally challenging conditions.

Investment Description

- Multilateral Investment Guarantee Agency (MIGA)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
