### Project Description

The proposed Projects entail the construction, ownership, operation and maintenance of two solar energy generating facilities, with a capacity of 5MW each, in the Omaheke region in Namibia. The electricity output will be sold to the Namibia Power Corporation (Pty) Ltd under a 25-year Power Purchase Agreement. Both Projects were awarded through the Renewable Feed in Tariff Program. The expected development impact from the Projects include: (i) diversification of Namibia's energy mix; (ii) contribution to increased generation capacity in Namibia; (iii) reduction of carbon emissions by producing green, emission-free electricity; (iv) promotion of employment and skills development during construction and operation and; (v) providing positive demonstration effects for solar development in Namibia and neighboring countries. The proposed project is aligned with MIGA's priorities of facilitating investments that address climate change.

#### ACCOUNTABILITY MECHANISM OF MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
