Project Description

According to the bank website, the project will involve upgrading state highways and district roads of heavy traffic, and reconstructing bridges that are obsolete. "The components of the Andhra Pradesh Roads and Bridges Reconstruction Project include: i) widening approximately 1,600 km of state highways from single/intermediate lane to double lane; and ii) constructing 269 bridges in the state highways network. The components of the Andhra Pradesh Mandal Connectivity and Rural Connectivity Improvement Project include: i) widening approximately 1,400 km of district roads from single/intermediate lane to double lane; and ii) constructing 206 bridges in the district roads network. The two Projects will be implemented over a period of five years from 2020 to 2024."
