Project Description

As stated by the NDB, the Project will support widening and reconstruction of SHs road sections with a total length of about 877 km in Madhya Pradesh to at least double lane road.

The Project will promote climate resilient infrastructure development and follow sector's best practices, including testing new materials in road construction, improving road safety aspects of SHs network, and implementing pilot initiatives in development of wayside amenities infrastructure for the SHs network.

The Project aims to benefit more than 12 million population, providing safe and enhanced road connectivity to more than 650 social, economic, and educational centers.

The Project implementation will take place in five years. The Project will be implemented by the GoMP through Madhya Pradesh Road Development Corporation Limited (MPRDC) which will be responsible for overall planning, execution and achievement of the desired results.

Investment Description

- New Development Bank (NDB)

Private Actors Description

As stated by Bloomberg, Madhya Pradesh Road Development Corporation Limited (MPRDC) provides construction services. The Company constructs roads, highways, expressways, streets, bridges, and other related infrastructure development projects. MPRDC serves customers in India.

ACCESS TO INFORMATION

You can submit an information request for project information through a form at the bottom of the following webpage <https://www.ndb.int/about-us/contact-us/>. Alternatively, you can send an e-mail to info@ndb.int.

ACCOUNTABILITY MECHANISM OF NEW DEVELOPMENT BANK

The New Development Bank (NDB) does not currently have an independent accountability mechanism to accept complaints related to NDB-financed projects. The Bank does have a whistleblower mechanism that receives complaints about misconduct related to corruption, fraudulent practices and instances of money laundering in projects financed by the NDB and/or against the NDB staff members. To learn more about the whistleblower mechanism and how to file a complaint, access this webpage at: <https://www.ndb.int/about-us/whistleblowing/>.
