Project Description

According to the Bank's website, this project finances investments in renewable energy generation plants. The Eurasian Development Bank will on-lend to identified sub-projects including wind, solar and small hydropower energy technologies.

Social and Environmental risk categorisation: FI-B

Investment Description

- New Development Bank (NDB)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
