# Early Warning System Southeast Guwahati Water Supply Project

### **Project Description**

According to the NDB, the Project involves construction of necessary water supply infrastructure and facilities to provide improved quality and regular water supply to the southeast zone of the Guwahati city. The major components of the Project include water intake system, treatment plant, reservoirs, and distribution network with household connections.

The Project aims at providing access to 24×7 piped drinking water supply of not less than 135 liters per capita per day for a projected population in 2038 of around 520,000 people in southeast Guwahati.

You can submit an information request for project information though a form at the bottom of the following webpoage https://www.ndb.int/about-us/contact-us/. Alternatively, you can send an e-mail to info@ndb.int.

#### **ACCOUNTABILITY MECHANISM OF NEW DEVELOPMENT BANK**

The New Development Bank (NDB) does not currently have an independent accountability mechanism to accept complaints related to NDB-financed projects. The Bank does have a whistleblower mechanism that receives complaints about misconduct related to corruption, fraudulent practices and instances of money laundering in projects financed by the NDB and/or against the NDB staff members. To learn more about the whistleblower mechanism and how to file a complaint, access this webpage at: https://www.ndb.int/about-us/whistleblowing/.
