<b>Investment Amount (USD)</b>	\$ 80.00 million
<b>Loan Amount (USD)</b>	\$ 80.00 million
<b>Project Cost (USD)</b>	\$ 117.80 million

## Project Description

According to the World Bank, the main objectives of the Irrigation and Drainage Improvement Project are to: 1) promote sustainable irrigated agricultural production through irrigation and drainage rehabilitation, improved water management, and better operation and maintenance; 2) introduce improved agricultural practices and farmers' information services; and 3) strengthen irrigation and environmental agencies. The project will include the following components: 1) rehabilitation of irrigation and drainage systems; 2) promotion of agricultural development on privatized farms including pilots for farmers' participatory training and information services as well as farm restructuring; and 3) institution building comprising: (a) support for the project implementation unit; (b) strengthening of environmental capacity; and (c) study of the feasibility of privatizing irrigation management for a typical canal command area.

## ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

## ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org). Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
