Reproductive and Child Health - Phase I

Quick Facts

Countries	Sierra Leone
Financial Institutions	World Bank (WB)
Status	Canceled
Bank Risk Rating	B
Voting Date	2006-10-13
Borrower	GOVERNMENT OF SIERRA LEONE
Sectors	Education and Health
Project Cost (USD)	\$ 6.00 million

Project Description

The overall development objective is to assist the Government of Sierra Leone (GoSL) to implement its child health and reproductive health strategy through placing a strong focus on results, particularly toward reducing the level of under five mortality (currently at 284/1000 live births), by supporting health system strengthening and implementation at scale of integrated packages of high-impact and low-cost health and nutrition interventions.

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org.

You can learn more about the Inspection Panel and how to file a complaint at:

<http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
