Indonesia Carbon Finance Framework for Geothermal Development

Early Warning System

Indonesia Carbon Finance Framework for Geothermal Development

WB-P117658

Quick Facts

Countries	Indonesia
Financial Institutions	World Bank (WB)
Status	Proposed
Bank Risk Rating	A
Borrower	Government of the Republic of Indonesia
Sectors	Energy, Law and Government
Investment Type(s)	Grant
Grant Amount (USD)	$ 25.00 million
Project Cost (USD)	$ 25.00 million

Project Description

According to the bank document, "the proposed project will establish a Carbon Finance (CF) Framework based on the programmatic Clean Development Mechanism (CDM) approach, for this purpose. The CF Framework is expected to:

(a) streamline and simplify the procedures for CDM transactions;

(b) enhance the certainty of cash benefits to geothermal developers beyond 2012; and

(c) access other potential ER buyers to generate additional cash flow for geothermal projects".

There is no information being disclosed at this stage of the project

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
