Project Description

As stated by the World Bank, the objective of the Project is to improve accessibility to markets for small rural producers in the Selected Areas by:

- (a) promoting productive alliances between different small rural producer organizations and purchasers;
- (b) empowering rural producers through the establishment and strengthening of self-managed grass-root organizations;
- (c) increasing access to productive assets, technology and financial services;
- (d) promoting more effective, responsive and accountable service organizations at the local level; and
- (e) enhancing environmental sustainability of productive practices.

The Project is a follow on operation to the successful PAR I, which tested the model for improving market access.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
