Investment Amount (USD)	$ 22.42 million
Project Cost (USD)	$ 22.42 million

Project Description

According to the bank document, the project is to strengthen institutional and local capacity for decentralized forest management and generate improved forest-based livelihoods in targeted areas. This project has four components.

1) The first component: Strengthening Legislation, Policy, and Institutional Capacity in Decentralized Forest Management

2) The second component, Developing the Knowledge Platform,

3) The third component, Improving Forest Management Practices, supports up to 10 KPH facing challenges in becoming operational, specifically with respect to institutional capacity, supporting communities, and sustainable utilization of forest products (timber and non-timber).

4) The fourth component, Project Management, Monitoring and Reporting, and Program Coordination.

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
