Project Description

This project finances three components aimed at the health sector: i) improving the quality and integration of health service delivery through support for the development of an information sharing system that links health care institutions, development of performance scorecards for primary care and hospitals, and strengthening of the mechanisms for quality monitoring and quality assurance; ii) modernizing the hospital sector through strengthening management and accounting systems for hospitals and providing technical support for policy reforms to strengthen hospital accountability and autonomy; and iii) strengthening the strategic purchasing and governance of the health system.

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
