Project Description

The Project Development Objective is to increase access to priority basic social and economic infrastructures and services in participating communities in at least two regions of Guinea-Bissau.
The proposed Additional Financing (AF) would finance the costs to scale-up the Project's community-driven development activities, and pilot a Cash Transfer program.
More specifically, the proposed Second AF from IDA would:
(i) scale up the target number of community-development plans under the Capacity-building for Community Development component (Component 1) and the number of micro-projects under the Community-based Micro-Projects component (Components 2);
(ii) increase resources for the Project Coordination and Monitoring and Evaluation component (Component 3); and
(iii) pilot a Cash Transfer program to targeted vulnerable households, in poor communities (Component 6 - new).

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
