Project Description

The development objective of the Investment Plan Coordination Project is to strengthen the Brazil's capacity in (i) coordinating Brazil Investment Plan (BIP) projects; (ii) supervising, planning, monitoring, evaluating, and reporting on BIP's implementation. The project costs would be funded entirely by one million US dollars grant financed by the Forest Investment Fund (FIP) under the Strategic Climate Fund (SCF). The Fundação Pró-Natureza (Funatura), the grant recipient, will manage the Project in close agreement with the Ministry of Environment (MMA)

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: <http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
