---

## **Project Description**

This project finances the improvement of stakeholders' planning, investment and management capacity for irrigation service and increase irrigated areas in selected areas in the six countries across the Sahel. This includes the development of new small to medium scale irrigation systems, as well as the modernization of institutional framework of the irrigation sector through technical assistance such as training and knowledge management services.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org).
