## Project Description

The objective of this proposed project is to improve access to nutrient-rich food of plant and animal origins by poor households in selected areas in Cote d'Ivoire. The diversification of production will contribute to improved access to nutritious foods by poor households as well as to enhanced household income, while diversification of diet and amelioration of hygiene practices will improve health and nutrition outcomes.

## ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org).

You can learn more about the Inspection Panel and how to file a complaint at:
