Voting Date	2019-03-28
Borrower	Government of Timor-Leste
Sectors	Transport
Investment Amount (USD)	$ 60.00 million
Project Cost (USD)	$ 60.00 million

Project Description

According to bank documents, the project incorporates elements predicated on the four pillars of the Sustainable Mobility for All (SuM4All) agenda: the primary investment in rural road infrastructure supports universal access by enabling the travel needs of rural communities; the designated road segment improves transport efficiency by reducing travel time and costs for both people and goods, while effectively connecting agricultural areas to markets and opening up an area with great potential for tourism; road safety aspects will be integrated into the project design in an effort to avoid road-related fatalities, injuries, and crashes; andgreen mobility objectives will be met by ensuring climate mitigation and adaptation measures are embedded in the road asset.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
