## Project Description

This project provides additional financing to increase sustainable access to water and increase the efficiency of the state water utility, REGIDESO. This additional financing will cover the costs of providing access to improved water services to approximately 1,395,000 additional people, improving equity and quality in the delivery of water services through the rehabilitation and expansion of the water facilities, and improving the governance and operational performances of REGIDESO.

## Investment Description

- World Bank (WB)

This project is funded by an IDA grant.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
