Project Description

The development objective of the Safety Nets and Basic Services Project for Togo is to provide poor communities and households with greater access to basic socioeconomic infrastructure and social safety nets. The project comprises of three components. The first component, infrastructure sub-projects objective is to support the rehabilitation and construction of basic infrastructure in targeted communities, in order to increase access to basic socio-economic services. The second component, social safety nets objective is to support increased access to safety nets (school feeding and cash transfers) among the poorest communities and households in Togo. It consists of two sub-components: (i) school feeding; and (ii) cash transfers. The third component, capacity building and project management consists of three sub-components: (i) grassroots management training (GMT); (ii) support for safety net systems building; and (iii) project management.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
