Project Description

This project provides funding for mitigating the potentially adverse effects of the El Nino weather system and the Cotopaxi volcano. It has three components. The first aims for disaster preparedness through funding projects in water and flood protection, agriculture, aquaculture, and fisheries, and transportation. The second aims for improvement in post-disaster recovery in the above-mentioned areas. The third aims to monitor project implementation through providing funding and assistance to various governmental agencies.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: <http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
