Project Description

The main objective of this project is to support the creation of capacity in Mozambique's Supreme Audit Institutions (the Mozambican Tribunal Administrativo or TA) to provide its audit staff with internationally-accepted continuous professional auditing education, training and certification.
The key results in operation are two fold (i) that the TA develops the capacity to deliver on-going, role-specific, non-certified professional training aimed at enhancing the effectiveness of the organization which will be reflected through the results in improved performance and that (ii) TA Auditors build sufficient professional capability to be able to join a professional accounting and auditing certification program that will lead to a professional qualification.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
