Project Description

The development objectives of State Education Program Investment Project for Nigeria are to support: (a) need-based teacher deployment; (b) school-level management and accountability; and (c) measurement of student learning in Participating States. The proposed Additional Financing (AF) Credit of 100 million US dollars would finance activities to support Government's emergency program for the North East through the scaling-up of original project activities. Based on the implementation experience from the original project, this AF would support the following: (a) scaling-up of the interventions that have successfully contributed to the improvement of service delivery, primarily relating to: (i) extending project coverage to address teacher needs in conflict- and displacement-affected areas in North East States; (ii) strengthening of school-level management and accountability for the improvement of education quality through school grants funding; and (b) enhancing technical assistance (TA) to address the needs of the North East. The original project closing date of October 31, 2017 will be extended to October 31, 2019.
