Project Description

According to website of the World Bank, the proposed project *'National Strategy for Development of Statistics Implementation Support'* for Bangladesh aims to improve the capacity of the Bangladesh Bureau of Statistics (BBS) to produce quality core statistics and make them accessible to policy makers and the public. The proposed project will support the government to implement selected aspects of its National Strategy for Development of Statistics (NSDS).

The core component of the project are as follows:

Component A. Improving the coordination and management of statistical activities

Component B. Developing human resources and ICT infrastructure to produce and manage data

Component C. Improving the coverage and quality of core statistics required for policy

Component D. Promoting and strengthening access to and the use of official statistics

Component E. Project management and establishment of Project Implementation Unit

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
