Borrower	Government of India
Sectors	Water and Sanitation
Investment Type(s)	Loan
Loan Amount (USD)	$ 120.00 million
Project Cost (USD)	$ 150.00 million

Project Description

The development objective of the Uttarakhand Water Supply Program For Peri-urban Areas Project for India is to increase access to improved water supply services in peri-urban areas in Uttarakhand. The Government of Uttarakhand (GoUK) Water Supply and Sanitation (WSS) Program is well aligned with the Government of India (GoI) targets, and comprises six sub-sectoral components: (a) Urban Water Supply, (b) Urban Sanitation, (c) Rural Water Supply, (d) Rural Sanitation, (e) Peri-urban Water Supply, and (f) Peri-urban Sanitation. As part of the Urban Water Supply component, the state envisages treated and pressurized piped water supply for all households by 2030, with at least 60 percent metered connections.

Investment Description

- World Bank (WB)

Lending Instrument : Program for Results

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
