Project Description

According to bank documents, the Project Development Objective will be addressed through supporting the authorities in strengthening of the country's banking sector in a sound, stable and inclusive manner. The project builds around five components that focus on strengthening the banking sector through improving bank regulation and supervision, addressing weaknesses in the banking sector, establishing a bank resolution framework and enhancing governance and operations of the entity development banks. The components are:

Component 1: Strengthening banking sector regulation and supervision aligned with Basel II/III regimes.
Component 2: Addressing weaknesses in the banking sector
Component 3: Operationalizing the new bank resolution framework
Component 4: Improving governance and business models of entity development banks
Component 5: Technical assistance

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
