Project Description

The Anhui Rural Road Resilience Program for Results (PforR) Project aims to improve the rural road network connectivity, safety, quality, and its management of Anhui province. The PforR program will finance a portion of the government programs (10 counties out of total 56 counties, covering 12 million population). The program will provide support to five sets of activities as:

(i) the smooth traffic program and natural village road program;

(ii) the safe road program;

(iii) the damaged bridge improvement program;

(iv) the road maintenance program; and

(v) institutional capacity building program

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
