Project Description

The objective of the Additional Financing for the Governance for Private Sector Development and Finance Project is to help improve Djibouti's business environment. The additional financing will: (i) scale up the existing components of the Parent project; and (ii) add a new component on modernization of the national payment system at the Central Bank of Djibouti. A level one restructuring is also being proposed concurrently with the proposed AF to: (i) revise the original PDO to 'improve the efficiency of business regulation and establish an automated National Payment System,' and (ii) revise the results framework to introduce new indicators related to the new component, and revise existing indicators related to existing components.
