Project Description

According to the World Bank, this objective of the project is to support the Government of the Dominican Republic in strengthening institutions for improved climate and disaster relief in priority sectors and estabishing mandatory regultions for climate and disaster risk reduction in public investment and construction works. It will build on previous policy reforms by the Government in its Disaster Risk Management and Climate Change Adaptation systems to mainstream the programs while ensuring their sustainability. The World Bank says this project will directly contribute to enhancing the country's capacities to adapt to climate change.

Investment Description

- World Bank (WB)

Loan agreement between the Dominican Republic and the International Bank for Reconstruction and Development.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
