WB-P159395

Quick Facts

Countries	Tuvalu
Financial Institutions	World Bank (WB)
Status	Proposed
Bank Risk Rating	B
Borrower	Government of Tuvalu
Sectors	Communications
Investment Amount (USD)	$ 29.00 million
Project Cost (USD)	$ 29.00 million

Project Description

According to bank documents, the Project will assist the Government of Tuvalu in the following areas:

- Developing and implementing a sector policy appropriate to the needs and circumstances of Tuvalu into the future with related legislation/amendments;
- Establishing a sector management regime and structure within the Government to address the operation and performance of the sector specifically toward service quality and broadband services in the Outer Islands;
- Developing a new, more financially-sustainable business model for telecommunications service provision, including restructure of the current TTC arrangements,
- Development of a regulatory framework for improving and reducing cost of telecommunications nationally especially broadband and new services provision in remote areas (Outer Islands);
- Increasing the capacity and reducing the cost of international bandwidth.

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
