Project Description

The proposed development objective is to strengthen the capacity of the national statistics institute to collect, process, and disseminate data with improved quality, frequency, and timeliness.
The USD $12 million project is structured into three components:
(a) Strengthening Institutional Capacity and Developing Human Resources; It will strengthen INSEED's institutional framework and human resources (HR) to create an enabling environment for high-quality data collection, processing, analysis, and dissemination.
(b) Collecting, Processing, Analyzing, and Disseminating Data; It will finance the implementation of a program of activities designed to improve the statistical infrastructure, the quality and timeliness of poverty and inequality statistics, National Accounts statistics, and agriculture statistics produced by INSEED.
(c) Project Management and Improving IT Infrastructure for data dissemination; It will support activities such as (a) fostering the coordination of statistical operations supported by the project; (b) providing project management funding and support for the implementation of large projects (such as the ECOSIT surveys); and (c) strengthening the capacity of INSEED's Project Implementation Unit (PIU) to implement the project effectively.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
