Project Description

The objective of the Leveraging ICT for Growth, Employment and Governance Project for Bangladesh is to: (i) catalyze the growth of Bangladesh's IT/ITES industry for employment creation and export diversification; and (ii) establish basic e-Government foundations to support public sector modernization. The changes are to: (i) enable implementation of the remaining IT/ITES activities in component one that cannot be implemented owing to the financing gap; and (ii) scale-up the e-Government activities in component two, to meet the immediate needs and overwhelming demand by other public agencies for the initial e-Government foundations, and address urgent cybersecurity challenges.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: <http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
