Bank Risk Rating	B
Voting Date	2017-03-30
Borrower	REPUBLIC OF THE GAMBIA
Sectors	Education and Health
Investment Amount (USD)	$ 7.50 million
Project Cost (USD)	$ 7.50 million

Project Description

The development objective of the project is to increase the utilization of community nutrition and primary maternal and child health services in selected regions in the Recipient's territory.
The AF2 will support new unconditional cash transfers, improvements to quality of care, expansion of food and nutrition security activities, and expansion of social and behavior change communication activities in the MCNHRP (P143650). The MCNHRP is currently being implemented in the five health regions of the country: North Bank Region West (NBR-West), North Bank Region East (NBR-East), Central River Region (CRR), Upper River Region (URR) and Lower River Region (LRR), reaching approximately 477,500 direct beneficiaries.

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
