Countries	Liberia
Financial Institutions	World Bank (WB)
Status	Active
Bank Risk Rating	B
Voting Date	2016-09-30
Borrower	Government of Liberia
Sectors	Construction
Project Cost (USD)	$ 4.19 million

Project Description

The development objective of West Africa Regional Fisheries Program Project for Liberia is to complete key construction works at Mesurado Pier and Robertsport landing site. This restructuring requires change in Results Framework, Components, and Cost. The results framework requires the extension of the closing date from March to June 2017. Revision of cost is required for the two components, Completion of the Mesurado Complex and Integration of the Mesurado-Robertsport Complex.

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
