## Project Description

The broad development objective of this project is to improve the collection, analysis, and dissemination of household survey data in Namibia. The specific objectives of the grant are threefold: (i) to introduce and pilot a Household Indebtedness and Financial Inclusion survey, (ii) to conduct quality assessment, validation, and evaluation of the 2015/16 NHIES data, including post field assessment/evaluation of the implementation of the survey, (iii) to build and enhance the agency's analytical capacity through technical assistance and training to analyze NHIES data.

### ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org).

You can learn more about the Inspection Panel and how to file a complaint at:
