Climate Resilience Multi-Phase Programmatic Approach

Early Warning System

Climate Resilience Multi-Phase Programmatic Approach

WB-P160005

Quick Facts

Countries	Sri Lanka
Specific Location	Four river basins include: Kelani Ganga, Attanagalu Oya, Mahaweli Ganga ; and Mundeni Aru
Financial Institutions	World Bank (WB)
Status	Proposed
Bank Risk Rating	A
Voting Date	2019-05-15
Borrower	Government of Sri Lanka
Sectors	Climate and Environment
Investment Amount (USD)	$ 790.40 million
Project Cost (USD)	$ 790.40 million

Project Description

The bank document stated that "the objective [of the project] would be to finance new infrastructure systems that will improve the ability of the Government to actively manage water levels in the case of intense rainfall or droughts." and "Four river basins have been selected as priority for the implementation of the investment plans. The four river basins include: Kelani Ganga, Attanagalu Oya, Mahaweli Ganga (downstream of Minipe diversion); and Mundeni Aru."

Component 1: Flood and Drought Risk Mitigation Investments
The objective of this component will be to reduce the vulnerability of the people and infrastructure in areas with high flood and drought risk.

Component 2: Strengthening Hydrometeorological Services, Early Warning (EW) and Response Systems
The objective of this component is to strengthen the hydrometeorological services, EW and response systems provided by the authorized agencies at national level by enhancing agencies' capacity of monitoring, forecasting, communicating and disseminating relevant information and EWs to the Government and public.

Component 3: Project Implementation and Monitoring

Investment Description

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at:
http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx .
