Project Description

The development objective of Local Development Project for Angola is to improve access of poor households to basic services and economic opportunities, and to enhance local institutional capacities among Angola's municipalities, will remain unchanged. This second level of restructuring seeks the additional financing of 70 million UD dollars to support the scale-up and completion of activities under the three LDP components and will further strengthen the local development agenda by continuing to: (a) provide basic social services at the local level in the poorest provinces and municipalities; b) build capacity of municipal officials for consultative resource allocation and transparent resource management; and (c) expand the local economic development agenda through the provision of economic opportunities to improve livelihoods and income of poor households. It also requires an extension of the closing date to February 28, 2020.
