Voting Date	2017-05-09
Borrower	MINISTRY OF FINANCE AND ECONOMIC DEVELOP
Sectors	Education and Health
Investment Amount (USD)	$ 150.00 million
Project Cost (USD)	$ 230.00 million

Project Description

The objective of the Additional Financing for the Health Sustainable Development Goals Program for Results Project is to improve the delivery and use of a comprehensive package of maternal and child health (MCH) services. The program paper proposes the following changes to the original program design: i) addition of Disbursement Linked Indicators (DLIs) that will trigger disbursement upon attainment of results on: (a) nutrition; (b) increased proportion of rural households with protection from high out of pocket expenses for health care; (c) improved access to skilled birth attendance in lagging regions; (d) strengthening adolescent and postnatal health services; and (e) select fiduciary and system targets including specific targets in community participation and engagement; ii) dropping DLI no. 6 on the balanced score card approach whose implementation roll-out will not allow for the measurement of its impact on service delivery as was envisaged under the original program design; iii) scaling up DLIs whose targets have been met but which require stretch targets for further results; iv) changes in the Program Action Plan to spur action in areas such as postnatal care, community engagement, gender based violence; fiduciary management; and v) addition of an investment project financing (OP/BP 10.00) component to support identified gaps in capacity and information systems

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
