Status	Active
Bank Risk Rating	C
Voting Date	2017-10-27
Borrower	Government of Nigeria
Sectors	Finance
Project Cost (USD)	\$ 0.40 million

Project Description

The Proposed Development Objective is to increase National Bureau of Statistics capacity to collect data in conflict affected areas and to monitor with regularity the socio economic conditions of regions that are normally difficult to reach. The grant will also enable the Nigerian government, the World Bank and other agencies to investigate how ongoing conflicts, problems such as market fragmentation, low levels of basic service provision (e.g. education, health and infrastructures), price and climatic shocks are affecting the poor.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org.

You can learn more about the Inspection Panel and how to file a complaint at:

<http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
