Early Warning System

Tunisia Irrigated Agriculture Intensification Project

WB-P160245

Quick Facts

Countries	Tunisia
Financial Institutions	World Bank (WB)
Status	Approved
Bank Risk Rating	B
Voting Date	2018-05-29
Borrower	Government of Tunisia
Sectors	Agriculture and Forestry
Investment Type(s)	Loan
Investment Amount (USD)	$ 140.00 million
Project Cost (USD)	$ 170.50 million

Project Description

The objectives of the project are to improve the reliability and efficiency of the irrigation and drainage services and strengthen market linkages for irrigated products in selected irrigation schemes. The project comprises four components.

1. Institutional modernization. It consists of following sub-components:
    i. establishment of a new irrigation management entity; and
    ii. irrigation efficiency improvement.
2. Rehabilitation and improvement works. It consists of following sub-components:
    i. rehabilitation and improvement works; and
    ii. common services and goods.
3. Support to agricultural development and market access. It consists of following sub-components:
    i. strengthening the capacity of producers (and producer organizations) and linking them to the market; and
    ii. boosting product marketing and developing competitive value chains.
4. Project management, This will cover:
    i. the equipment cost for the unit;
    ii. training of project management unit staff;
    iii. short term expertise;
    iv. impact assessment studies;
    v. training, communication, and expertise related to the implementation of the project's environmental and social management framework (ESMF); and
    vi. the incremental operating costs for the project at both central and regional levels.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
