Project Description

The development objective of Reintegration of Ex-Combatants Project for Central African Republic is to support the social and economic reintegration of demobilized ex-combatants and improve access to socio-economic infrastructure and economic opportunities for host communities. This project has three components. 1) The first component, Social and Economic Reintegration Support, aims to be supported by the sensitization activities detailed in Component 3. It has four sub-components as follows: (i) Orientation, Counseling and Skills Training; (ii) Start-up Reintegration Support; (iii) Follow-up Reintegration Support; and (iv) Support to Vulnerable Ex-combatants. 2) The second component, Support to Host Communities, aims to support the rehabilitation or construction of small-scale social and economic infrastructure in the host communities. It has two sub-components as follows: (i) Improvement of Socio-economic Infrastructure; and (ii) Capacity Building for Host Communities. 3) The third component, Project Management, will consist of the following activities to support Project Management: (a) capacity building, (b) sensitization and communications, (c) environmental and social safeguards management,and (d) monitoring and evaluation (M and E).

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
