Borrower	MINISTRY OF FINANCE AND PLANNING
Sectors	Law and Government
Investment Type(s)	Loan
Investment Amount (USD)	\$ 10.00 million
Project Cost (USD)	\$ 8.00 million

Project Description

The development objective of the proposed operation is to support the Government of the Republic of Cabo Verde in:

- a. Strengthening the institutional and legal framework to increase disaster and climate resilience; and
- b. Incorporating disaster and climate resilience considerations and technical standards into the management of school infrastructure and territorial planning.

The proposed operation is designed to support the Government's ongoing reforms to mainstream and incorporate disaster risk reduction and climate resilience as a cross-cutting requirement through the sectors and development planning. Cabo Verde has recently started designing the legal and institutional framework that set the stage for a comprehensive disaster risk management system. The program supported by this DPC/L supports the establishment of the necessary institutional structures and protocols to increase the preparedness, response capacity, and resilience to natural catastrophes. Such an institutional framework is essential for mainstreaming DRM and climate resilience into the decision-making process. Furthermore, the reforms will also strengthen the territorial planning and urban development processes and increase disaster and climate resilience of public and private school infrastructure assets, which will reduce the long-term human and economic impact of disasters.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: <http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
