## Project Description

According to website of the World Bank, the proposed operation will support the Government of Nepal in its efforts to establish a framework to move towards fiscal federalism and improve public financial management.

The proposed operation aims to support the government's transition from a centralized to a federal structure and reforms that enhance Public Financial Management (PFM). The activities of the project are organized under two pillars:

- (i) Establish a framework to move towards federalism
- (ii) Improve the policy framework for PFM
