## Project Description

The development objectives of the Public Finance Sustainability and Investment Development Policy Financing (DPF) Operation Project for Madagascar supports two pillars: (i) strengthening the fiscal framework, and (ii) improving the environment for investment. This program document presents a public finance sustainability and investment DPF for the Republic of Madagascar for the amount of special drawing right (SDR) 46.6 million. Progress towards political stability and poverty reduction requires Madagascar to build momentum in confronting its immense economic and development challenges. Despite the challenges, Madagascar has been building momentum in pursuing a reform agenda for economic recovery. Technical assistance provided by the World Bank and other partners will help strengthen institutional capacity in a post-crisis environment.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
