Project Description

The development objective of the Third Phase of Transformation of Agriculture Sector Program Project for Rwanda is to increase and intensify the productivity of the Rwandan agricultural and livestock sectors and expand the development of value chains. The Program has four program areas which are:

- (1) Agriculture and animal resource intensification.
- (2) Research, technology transfer and organization of farmers.
- (3) Private sector-driven value chain development and expanded investments.
- (4) Institutional results-focused development and agricultural cross-cutting issues.

Investment Description

- World Bank (WB)

MDTF (DFID)- US\$10million

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: <http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
