### Project Description

The development objective of the Third Phase of Transformation of Agriculture Sector Program Project for Rwanda is to increase and intensify the productivity of the Rwandan agricultural and livestock sectors and expand the development of value chains. The Program has four program areas which are:

- (1) Agriculture and animal resource intensification.
- (2) Research, technology transfer and organization of farmers.
- (3) Private sector-driven value chain development and expanded investments.
- (4) Institutional results-focused development and agricultural cross-cutting issues.
