### Project Description

This is a development policy loan that provides financing to improve public expenditure management, and the financial sustainability of energy and transport sector public enterprises and state-owned companies.

Structural reforms include:

- "Steps to strengthen the business environment by ensuring greater policy and institutional predictability, better coordination of different agencies, and more efficient incentive policies; reforming the labor market to make it more flexible; reforming and streamlining of the system for issuing construction permits, and upgrading of critical transport infrastructure
- Structural reforms of the public sector that aim to make it more efficient, reduce the footprint of the state, and lower fiscal risks."

### **ACCOUNTABILITY MECHANISM OF WORLD BANK**

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org).

You can learn more about the Inspection Panel and how to file a complaint at:
