Project Description

The development objective of West Africa Unique Identification for Regional Integration and Inclusion Project is to increase the number of persons in Côte d'Ivoire and Guinea who have government-recognized proof of unique identity that facilitates their access to services. This project has three components. 1) The first component, Strengthening the Legal and Institutional Framework, the MPA aims to finance the preparation, development and implementation of the legal and institutional framework necessary to structure robust fID systems. 2) The second component, Establishing Robust and Inclusive fID Systems, aims to support the creation of fID systems based on the issuance of UNIs linked to biometric data, which will be collected in accordance with international quality standards. 3) The third component, Facilitating Access to Services Through fIDs, aims to focus on service delivery at both the national and regional levels.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org.

You can learn more about the Inspection Panel and how to file a complaint at:
